

POPE JOHN PAUL II
Regional Catholic Elementary School
GROWING IN FAITH, LEARNING FOR TOMORROW

WE ARE THE FUTURE

ANNUAL REPORT
2014-2015

Dear Friends and Benefactors of
Pope John Paul II School,

A scripture quote that consistently comes to mind when thinking of our friends and donors is “in all things be grateful.” We are exactly that, grateful to you for the sacrifices you make to help advance God’s work through Catholic education, particularly here at Pope John Paul II Regional Catholic Elementary School. Providing our children with an excellent spiritual and academic program depends on the entire faith community. When I review this annual report I am overwhelmed by the support of our individual donors, those who provide us with EITC funding, United Way donors, memorials, scholarships, matching gifts, grants, and sponsorships for special events.

The 2014 – 2015 Financial Overview Report will provide you with specific information on how we generate the funds needed to provide our 671 students with an environment of reverence for God, self, and others, as well as a rigorous academic program that seeks to produce moral, ethical, and intelligent leaders for our Church and our world. I ask that you pay particular attention to the Fundraising and Program Income section of the report. This is the section that represents the tireless and generous support of our friends and donors, and evidences the behind the scenes work of our Home & School Association, our event coordinators, our Advisory Council, our Development Director, and so many other very generous partners in this amazing work of Catholic education.

We finished our dream of completing the top floor by adding six new classrooms and an Art studio. We are already working on the opening of a Support Program that will provide tailored instruction for our students with special needs that cannot always be met in the typical classroom. None of this would be possible without the love and generous support of friends like you.

On behalf of the children, the faculty, the staff, and the parents of PJPII School, thank you. The entire school community joins in prayer at the beginning of each day and you are remembered each and every day throughout the school year with the grateful prayers of 700+ grateful hearts here at PJPII. May you be abundantly blessed for joining with us in God’s work to bring His children closer to Him.

Gratefully, in Mary’s Immaculate Heart,
Sister Anne B. McGuire, IHM Principal

OUR SCHOOL HISTORY

Our school has a rich and historic background dating back to 1907. In 1970, the parishes of St. Cecilia, St. Joseph and St. Stanislaus Kostka consolidated their parish schools into Coatesville Area Catholic Elementary School (CACES). Originally housed in three buildings at each parish, the CACES students finally moved to the present 30-acre site and state of the art facility in 2007.

Today, PJP II families are members of Our Lady of the Rosary, St. Joseph, St. Peter and Our Lady of Consolation parishes. PJP II is an Archdiocesan Regional School.

During Catholic Schools Week, students collected books, hats, and socks for less privileged children attending St. Francis de Sales, a parochial school in West Philadelphia.
