

The PJPII SCRIP Program

Let's take a closer look at how you can actually save money off your tuition, yet not spend a penny more! Seriously!

Some of you are very familiar with our program but for those of you who are not: **this program IS a win-win for both YOU and PJPII & IT'S E-A-S-Y!**

Buy gift cards through the PJPII SCRIP Program and a percentage of the gift card is **REFUNDED to you** for tuition credit and the school for appropriate delegation. We have families **receiving in excess of \$1,000 a year applied to their SmartTuition account!**

LET'S CUT TO THE CHASE! **We all need groceries, household items or shop on-line, right?** Here is a small idea of the savings you can incur by using gift cards.

<p>\$500 Grocery Gift Cards @ 2% Return: \$10.00 off your tuition! <i>Unfortunately Wegmans does not participate, however we are hopeful.</i></p>	<p>\$100 Home Improvement @ 2% Return: \$2 off your tuition!</p>
<p>\$100 Shopping on-line Gift Certificates @ 2% Return: \$2.00 off your tuition!</p>	<p>\$100 Mall Shopping @ 5% Return: \$5 off your tuition!</p>
<p>\$100 Specialty Item Gift Cards @ 8% Return: \$8.00 off your tuition!</p>	<p>\$100 Your Children's Shopping @ 5% Return: \$5 off your tuition!</p>

At first glance it appears like small amounts, *however* **one month of groceries, a little home improvement, shopping or eating out could easily add up to \$50 off your tuition!** If you use gift cards monthly – **that's \$600 a year** and all you did was use a gift card instead of a credit card. This is just a *small* example of how this program works.

The PJPII SCRIP Program

LET'S LOOK AT ANOTHER SCENERIO!

Do you or your spouse travel for business? Here is an idea of the savings you can incur by using gift cards during your travels.

 <p>\$250 in Car Rental Gift Certificates @ 4% Return: \$10 off your tuition!</p>	 <p>\$100 Fine Dining @ 4% Return: \$4 off your tuition!</p>
 <p>\$500 Hotel Gift Card @ 4% Return: \$20.00 off your tuition!</p>	 <p>\$25 Casual Dining @ 4% Return: \$1 off your tuition!</p>

Again, at first glance it appears like small amounts, *however* **one business or pleasure trip** could easily **add up to \$75 or more off your tuition!** If you only travel once a month – **that's \$900 a year** and all you did was use a gift card instead of a credit card. You can still turn in your receipts for expenses too. This is just another example of how this program works.

Oh and did I mention BOOKS, MOVIE TICKETS, GAS, RESTURANTS, SPAS, DISNEY? --- And the list goes on and on!

The savings add up and before you know it, when your SmartTuition bill comes due you could see hundreds or thousands of dollars credited.

Your concerns are easily addressed too: **Q:** What if the company goes out of business? **A:** We get information from our vendors (& you can too) that give us 12+ months prior notice to get the word out to you to use the cards up. **Q:** Do the cards ever expire? **A:** No. Your card can be shared/transferred with anyone and some of the cards can be “re-loaded”, which is also another portion of the on-line features we will introduce. **Q:** How do I keep up with all the cards? **A:** Our vendor has a card carrier that you can sort your cards, making it easy to carry, drop in your laptop carrier or purse or set out at home if you don't need them that day. **Q:** Other questions needing answered. **A:** Contact us, visit PJPII's website or look for our information in Parent Connect. You can also visit our on-line Q&A.
